NATIONAL BESTSELLER • Real love . . . as seen on TV. A plus-size bachelorette brings a fresh look to a reality show in this razor-sharp, “divinely witty” (Entertainment Weekly) debut. “Effortlessly fun and clever . . . I found the tension impeccable . . . and that made my reading experience incredibly propulsive. Read it in a day and a half.”—Emily Henry, #1 bestselling author of *Beach Read* and *The People We Meet on Vacation* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • Marie Claire • Mashable Bea Schumacher is a devastatingly stylish plus-size fashion blogger who has amazing friends, a devoted family, legions of Insta followers—and a massively broken heart. Like the rest of America, Bea indulges in her weekly obsession: the hit reality show *Main Squeeze*. The fantasy dates! The kiss-off rejections! The surprising amount of guys named Chad! But Bea is sick and tired of the lack of body diversity on the show. Since when is being a size zero a prerequisite for getting engaged on television? Just when Bea has sworn off dating altogether, she gets an intriguing call:

Main Squeeze wants her to be its next star, surrounded by men vying for her affections. Bea agrees, on one condition—under no circumstances will she actually fall in love. She’s in this to supercharge her career, subvert harmful beauty standards, inspire women across America, and get a free hot air balloon ride. That’s it. But when the cameras start rolling, Bea realizes things are more complicated than she anticipated. She’s in a whirlwind of sumptuous couture, Internet culture wars, sexy suitors, and an opportunity (or two, or five) to find messy, real-life love in the midst of a made-for-TV fairy tale. In this joyful, wickedly observant debut, Bea has to decide whether it might just be worth trusting these men—and herself—for a chance to live happily ever after. A thriller set in the equestrian world about making the impossible possible, about reaching the top on a one dollar horse. Fifteen year old Casey Blue lives in East London's grimmest tower block and volunteers at a local riding school, but her dream is to win the world's greatest Three Day Event: the Badminton Horse Trials. When she rescues a starving, half-wild horse, she's convinced that the impossible can be made possible. But she has reckoned without the consequences of her father's criminal record, or the distraction of a boy with melty, dark eyes, with whom she refuses to fall in love. Casey learns the hard way that no matter how high you jump, or how fast you gallop, you can never outrun the past. A real life thriller that delves into the competitive and elite equestrian world from the 2011 *BLUE PETER BOOK OF THE YEAR* award-winning author. A curious, loving fantasy in which Bach weaves science and spirit to explore concepts of time and self. available for the first time in a beautiful hardback edition, perfect for hardcore fans and collectors. A world at stake. A quest for the ultimate prize. Are you ready? It's the year 2044, and the real world has become an ugly place. We're out of oil. We've wrecked the climate. Famine, poverty, and disease are widespread. Like most of humanity, Wade Watts escapes this depressing reality by spending his waking hours jacked into the OASIS, a sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of ten thousand planets. And like most of humanity, Wade is obsessed by the ultimate lottery ticket that lies concealed within this alternate reality: OASIS founder James Halliday, who dies with no heir, has promised that control of the OASIS - and his massive fortune - will go to the person who can solve the riddles he has left scattered throughout his creation. For years, millions have struggled fruitlessly to attain this prize, knowing only that the riddles are based in the culture of the late twentieth century. And then Wade stumbles onto the key to the first puzzle. Suddenly, he finds himself pitted against thousands of competitors in a desperate race to claim the ultimate prize, a chase that soon takes on terrifying real-world dimensions - and that will leave both Wade and his world profoundly changed.

If you loved *READY PLAYER ONE* and can't wait for more, check out *ARMADA*, Ernest Cline's geek masterpiece! 'Wildly original and stuffed with irresistible nostalgia, *Ready Player One* is a spectacularly genre-busting, ambitious, and charming debut' Independent 'Part intergalactic scavenger hunt, part romance, and all heart' CNN 'Ernest Cline's novel deserves to be a modern classic' SciFiNow 'Gorgeously geeky, superbly entertaining, this really is a spectacularly successful debut' Daily Mail Now available in a gorgeous new package, Sarah Crossan's exquisite multi award-winning novel explores the unbreakable bond and love between sisters. Here we are. And we are living. Isn't that amazing? How we manage to be here at all. Grace and Tippi don't like being stared and sneered at, but they're used to it. They're conjoined twins - united in blood and bone. What they want is to be looked at in turn, like they truly are two people. They want real friends. And

what about love? But a heart-wrenching decision lies ahead for Tippi and Grace. One that could change their lives more than they ever asked for ... This moving and beautifully crafted novel about identity, sisterhood and love ultimately asks one question: what does it mean to want and have a soulmate? One of the most important texts of modern times, Herbert Marcuse's analysis and image of a one-dimensional man in a one-dimensional society has shaped many young radicals' way of seeing and experiencing life. Published in 1964, it fast became an ideological bible for the emergent New Left. As Douglas Kellner notes in his introduction, Marcuse's greatest work was a 'damning indictment of contemporary Western societies, capitalist and communist.' Yet it also expressed the hopes of a radical philosopher that human freedom and happiness could be greatly expanded beyond the regimented thought and behaviour prevalent in established society. For those who held the reigns of power Marcuse's call to arms threatened civilization to its very core. For many others however, it represented a freedom hitherto unimaginable. Let your best buds know that you'll be there for them with this DIY gift book inspired by the gang from *Friends*: Rachel, Ross, Joey, Monica, Phoebe, and Chandler. Once you fill in the prompts, this book becomes a personalized gift full of ridiculous, potentially embarrassing, or sweet expressions of appreciation that are as quirky as your favorite friends. It's up to you! This attractive book features full-color photography from *Friends* throughout. A deadly pandemic known as *The Doom* kicks off in the Scottish countryside. Who doesn't want to read this? - *Emerald Street* Nora Roberts weaves a powerful story of a deadly plague in this gripping, movie-like narrative - *Good Housekeeping* As this world ends, a new one begins. From number one New York Times bestseller Nora Roberts - an epic, apocalyptic tale of good and evil, love and loss. With one drop of blood, the old world is gone for ever. And in its place, something extraordinary begins... They call it *The Doom* - a deadly pandemic that starts on a cold New Year's Eve in

the Scottish countryside. There's something mysterious about the virus and the way it spreads. As billions fall sick and die, some survivors find themselves invested with strange, unexpected abilities. Lana, a New York chef, has the power to move things and people with her will. Fred can summon light in the darkness. Jonah, a paramedic, sees glimpses of the future in those he touches. Katie gives birth to twins, and suspects that she has brought fresh magic into the world, along with new life. But The Doom affects people differently. Along with the light, a dark and terrifying magic will also rise. As the remaining authorities round up the immune and the 'Uncannies' for testing, Lana, Katie and others flee New York in search of a safe haven. The old world is over, and Year One has begun. A shy, bookish scholarship student from a working-class family, Owen Whiting has high hopes of what awaits him at Oxford, only to find himself adrift and out of place among the university's dim aristocrats and posh radicals. But his life takes a dramatic turn when he is assigned to the same philosophy tutorial as Zachary Foedern, a visiting student from New York City. Rich, brilliant, and charismatic, Zach takes Owen under his wing, introducing him to a world of experiences Owen has only ever read about. From the quadrangles of Oxford to the seedy underbelly of Berlin, they practice what Zach preaches, daring each other to transgress the boundaries of convention and morality, until Zach proposes the greatest transgression of all: a suicide pact. But when Zach's plans go horribly awry, Owen is left to pick up the pieces in the sleek lofts and dingy dives of lower Manhattan. Now he must navigate the treacherous boundary between illusion and reality if he wants to understand his friend and preserve a hold on his once bright future. Following his stint as a Marine during the Vietnam war, James needs something beyond the mundane conformity of his life in Vicksburg, Mississippi. As he enters the Peace Corps, a political reformer named Benigno Aquino is gunned down in the turbulent Philippines, half a world away. James has no idea fate will interweave events for him to witness the overthrow of a dictatorship and the miracle of a bloodless revolution. Lois has joined the Peace Corps to explore the world outside her staid Ohio upbringing. As a teacher in a remote village she totes her own household water from a distant source, learns to accept locals wandering through her hut at all hours, and even becomes accustomed to gunfire in the jungle night. But when the visit of a suspected spy to her village threatens their lives, she and her friend James must make a decision of lasting

import. The first book in the New York Times bestselling series that inspired the hit CW television show. No one has set foot on Earth in centuries -- until now. Ever since a devastating nuclear war, humanity has lived on spaceships far above Earth's radioactive surface. Now, one hundred juvenile delinquents -- considered expendable by society -- are being sent on a dangerous mission: to recolonize the planet. It could be their second chance at life...or it could be a suicide mission. CLARKE was arrested for treason, though she's haunted by the memory of what she really did. WELLS, the chancellor's son, came to Earth for the girl he loves -- but will she ever forgive him? Reckless BELLAMY fought his way onto the transport pod to protect his sister, the other half of the only pair of siblings in the universe. And GLASS managed to escape back onto the ship, only to find that life there is just as dangerous as she feared it would be on Earth. Confronted with a savage land and haunted by secrets from their pasts, the hundred must fight to survive. They were never meant to be heroes, but they may be mankind's last hope. According to Thomas Metzinger, no such things as selves exist in the world: nobody ever had or was a self. All that exists are phenomenal selves, as they appear in conscious experience. The phenomenal self, however, is not a thing but an ongoing process; it is the content of a "transparent self-model." In *Being No One*, Metzinger, a German philosopher, draws strongly on neuroscientific research to present a representationalist and functional analysis of what a consciously experienced first-person perspective actually is. Building a bridge between the humanities and the empirical sciences of the mind, he develops new conceptual toolkits and metaphors; uses case studies of unusual states of mind such as agnosia, neglect, blindsight, and hallucinations; and offers new sets of multilevel constraints for the concept of consciousness. Metzinger's central question is: How exactly does strong, consciously experienced subjectivity emerge out of objective events in the natural world? His epistemic goal is to determine whether conscious experience, in particular the experience of being someone that results from the emergence of a phenomenal self, can be analyzed on subpersonal levels of description.

He also asks if and how our Cartesian intuitions that subjective experiences as such can never be reductively explained are themselves ultimately rooted in the deeper representational structure of our conscious minds. Guardian's Best Summer Books 2018 "A beautiful, brilliant modern classic." Sabrina Mahfouz, Guardian Mukesh has just moved from Kenya to the drizzly northern town of Keighley. He was expecting fame, fortune, the Rolling Stones and a nice girl, not poverty, loneliness and racism. Still, he might not have found Keith Richards, but he did find the girl. Neha is dying. Lung cancer, a genetic gift from her mother and an invocation to forge a better relationship with her brother and her widowed father before it's too late. The problem is, her brother is an unfunny comedian and her idiot father is a first-generation immigrant who moved to Keighley of all places. Rakesh is grieving. He lost his mother and his sister to the same illness, and his career as a comedian is flat-lining. Sure, his sister would have claimed that it was because he was simply unfunny, but he can't help feel that there is more to it than that - more to do with who he is and where he comes from rather than the content of his jokes. Ba has never looked after her two young grandchildren before. After her daughter died, her useless son-in-law dumped them on her doorstep for a month and now she has to try and work out how to bond with two children who are used to England, not to the rhythms of Kenya... • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. after *The One*? April 16th is always one of Charley's worst days of the year. It's her husband's birthday, a painful reminder of his death four years ago. So naturally, her car breaks down. She nearly gets run over trying to catch the bus. And then she's made redundant. Her friends see the redundancy as a chance for her to start again and live the life she always wanted, but since being widowed Charley has clung to familiarity and avoided change like the plague. Then, out of the blue, her mother-in-law Pam pitches up in need of a place to stay after walking out on her 40-year marriage. Together, Charley and Pam find themselves at a crossroad. It's not easy to move on after *The One*, but they can't stand still forever. A gorgeously heartwarming and feel-good story for fans of Libby Page and Nicola Gill.
