**The Dead Bell** Jan 28 2020 The sprinkler washed over the remains of Faith Wesley, one of Lake Forest's most prominent citizens, leaving few clues to go on—but the brutal murder of society's privileged requires rigorous investigation. Tom Edison is called in. While he needs to answer to his higher-ups, he also has to deal with a relationship in tatters . . . it's no wonder he falls prey to an illicit attraction to a close Wesley family friend. Haunted by demons of the past and unresolved challenges in his present, matters complicate further as he comes toe to toe with some of the most powerful people in Illinois and becomes the subject of an internal affairs investigation which reveals departmental corruption and an old unsolved murder case. In the process of his investigation, he uncovers truths about himself, his concept of justice, and ultimately exhumes his own ghosts.

The Mobilgas Economy Run Jul 04 2020 The Mobilgas Economy Runs were annual competitions in which new American production automobiles vied not for speed, but for fuel economy—even as the industry was turning out bigger, more powerful cars year by year. This first complete history of the runs (including the predecessor Gilmore Economy Runs) follows each year's competitors day by day, covers some aspects not reported at the time and features a wealth of photographs. It includes coverage of the related Mobil Mileage Rally, held for imported cars from 1958 through 1961. Complete results for all of the competitions are provided in an appendix.
