Encyclopedia of the British Short Story Dec 21 2021 Provides a comprehensive reference to short fiction from Great Britain, Ireland, and the British Commonwealth, featuring some of the most popular writers and works.

Dragons Restored and Other Short Stories Sep 25 2019 In a World Where Dragons Have Mostly Disappeared The freedom from enslavement of an entire people depend on a young, inexperienced magician and a captive dragon. Can they break the chain, defeat the captors, and change the world? Find out in *Dragons Restored and Other Short Stories*. An ancient fire-bridge once spanned the space between two worlds. One world is desperately trying to rekindle the fire and link the worlds once again. The secrets to the fire-bridge could mean powerful energy to the unsuspecting world, who are drawn closer to creating their piece of the bridge through their developing technologies--but they are totally unaware of implications and possible consequences of attempting this technological advance. Experience the extra-terrestrial quest for fire in the *Allure of the Trap*. *Dragons Restored and Other Short Stories* are a mixture of fantasy and science fiction stories. They are targeted at the young adult audience, but will be enjoyed by all. Most of the stories were written for specific purposes and had strict word limits. Other stories include super villains wanting to control the world, and teens with special powers given them by specific runes. *The Rune Master's Apprentice* will have you in suspense until the very end. You will enjoy these short, but entertaining stories. Read what others have to say: "In a storytelling style reminiscent of Ray Bradbury, Dean R. Giles weaves one engaging tale after another. Magic, dragons, virus-carrying insects, heroes & heroine, all come to life with words that paint in vivid images. It is said science fiction is a depiction of the real; Fantasy is a depiction of the unreal. Here in *DRAGONS RESTORED* we have both worlds coming together." "A great collection of stories each with their own twist which I did enjoy. Fantastic creativity. I loved *Dragons Restored* and would have loved this to be a full-length novel." "Original ideas which are thoughtful and intriguing and not at all what I expected. A great read not only for YA but anyone who enjoys a great story. I enjoyed these short stories, especially the imaginative plots,

powers, and worlds painted by the author. I wanted very much for the adventures to go on!"

Irwin Shaw Dec 29 2019 Pp. 44-68, "Protests against Fascism and Anti-Semitism, " summarize and discuss Shaw's short stories of the 1930s-40s on early American complacency about Nazism, Jews' need for revenge against their persecutors (Cossacks in 1918 and Nazis), the world's rejection of Jewish refugees, and the growing threat of antisemitism in America.

The Cambridge Guide to Women's Writing in English Aug 05 2020 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last twenty-five years. This is an opportunity for stock-taking - a timely project, when so much writing has been rediscovered, reclaimed and republished. There are entries on writers, on individual texts, and on general terms, genres and movements, all printed in a single alphabetical sequence. The earliest written documents in medieval English (the visionary writings of Julian of Norwich and Margery Kempe) are covered in an historical - and geographical - sweep that takes us up to the present day. The book reflects the spread of literacy, the history of colonisation and the development of post-colonial cultures using and changing the English language. The entries are written by contributors from all the countries covered. The result is a work of reference with a unique feeling for the vitality, wealth and diversity of women's writing.

The Mini Story Jan 02 2023 Very few cars inspire as much affection as the original Mini. It's the small car everyone loves to eulogise because it oozes energetic fun, classless minimalism and evergreen style. But it's also of massive historical importance: the 1959 Mini, designed by Alec Issigonis, set the template from which all successful compact cars have been created ever after. It was the technological wonder of its age. The original Mini was on sale for 41 years, during which its 5.3m sales made it the best-selling British car of all time - an achievement unlikely ever to be

beaten. And just when it looked like the little car would shrivel and die, BMW had the vision to reinvent it as the planet's most desirable small car range, and put it back on the serious motoring map as the MINI. Here, award-winning writer Giles Chapman tells the whole, amazing story.

365 Bedtime Stories Aug 24 2019 Presents an illustrated collection of short stories to read at bedtime for each day of the year.

Meet more of the darkest characters ever to send shivers into your dreams.

Fresh Ink Jan 22 2022 All it takes to rewrite the rules is a little fresh ink in this remarkable YA collection from thirteen of the most recognizable diverse authors writing today including Nicola Yoon, Jason Reynolds, Melissa de la Cruz, and many more, and published in partnership with We Need Diverse Books. "This awesome anthology came together with the fantastic organization We Need Diverse Books, and...combines an all-star cast of talent." --Paste Magazine Careful--you are holding fresh ink. And not hot-off-the-press, still-drying-in-your-hands ink. Instead, you are holding twelve stories with endings that are still being written--whose next chapters are up to you. Because these stories are meant to be read. And shared. Thirteen of the most accomplished YA authors deliver a label-defying anthology that includes ten short stories, a graphic novel, and a one-act play from Walter Dean Myers never before in-print. This collection addresses topics like gentrification, acceptance, untimely death, coming out, and poverty and ranges in genre from contemporary realistic fiction to adventure and romance. It will inspire you to break conventions, bend the rules,

and color outside the lines. All you need is fresh ink. AUTHORS INCLUDE: Schuyler Bailar, Melissa de la Cruz, Sara Farizan, Sharon G. Flake, Eric Gansworth, Malindo Lo, Walter Dean Myers, Daniel José Older, Thien Pham, Jason Reynolds, Aminah Mae Safi, Gene Luen Yang, Nicola Yoon "I absolutely love this mix of established and newer talents, and I'm really intrigued and excited by the mixed formats." --BookRiot "Huge, huge names in YA participated." --Bustle

The Land Rover Story May 14 2021 A unique look at the development of the Land Rover, this is the story of the simple four-wheel drive vehicle born out of post-war austerity that became a global byword for toughness and rugged style Launched in 1948, the Land Rover owed its low-key existence to shoestring British ingenuity and—literally—odds and ends left over from World War II. Rover thought it could keep its factory ticking over as the company's post-war fortunes slowly revived. They also thought that farmers might appreciate it as a handy cross between a pick-up and a tractor. But it was soon obvious that the company had created, in the Land Rover, a world-beating product. Giles Chapman tells the story of how Land Rovers have tamed the planet's toughest terrain with their unstoppable off-road capability. It also charts how the Land Rover legend allowed the marque to gradually expand its range with the Range Rover, Discovery, Freelander, and the latest Range Rover Evoque. They're all cars as familiar in cities and suburbs as they are at home in the countryside. Land Rover has been controversial, its fortunes tied to Britain's economic ups and downs. Today it's on a roll, leading a renaissance in British design and manufacturing, yet the continued presence of the Defender helps keep the Land Rover Story absolutely genuine.

Rumble in the Jungle Jul 28 2022 Come into the jungle for a noisy, rhyming animal adventure in this colourful read-aloud picture book! The Story of Mini Nov 19 2021 The Story of Mini is a pocket-sized and beautifully illustrated celebration of the iconic car. For more than 60 years, the Mini has been one of the most beloved and instantly recognisable cars on the road. From its humble beginnings with the British Motor Corporation in 1959, to the modern BMW-backed models of today, The Story of Mini tells the story of the car and the unique culture that has built up around it. Exploring the evolution of Mini design from the original two-door model - the most popular British car of all time - through to the diverse range of Minis available today, this book is an exceptionally designed tribute to the marque, and the people who helped create it. Touching on the Mini's impact on pop culture, as well as the racing heritage cultivated by the legendary John Cooper, and filled with stunning imagery and insightful

commentary, *The Story of Mini* charts the history of this beloved brand in a small but perfectly formed package.

Short Stories, 1895-1926 Oct 31 2022 Published to coincide with the 40th anniversary of Walter de la Mare's death, this is the first of a three-volume collection bringing together his short stories. It includes *The Riddle and Other Stories* (1923) containing 15 stories, *Ding, Dong Bell* (1924) containing four stories, and *The Connoisseur and Other Stories* (1926) containing nine stories. Also included are 14 uncollected stories published between 1895 and 1920. De la Mare's earliest published works were stories, the first of them appearing in 1895. There was always a creative counterpoint between the themes and imagery of his prose and poetry, and a full understanding of either is unattainable without knowledge of both. The publication of this volume coincides with the 40th anniversary of Walter de la Mare's death. Kings College London will be holding a one-day conference featuring the stories of Walter de la Mare to coincide with the publication of volume one on November 7, 1996, including speakers such as Professor John Bayley, Julia Briggs, and Russell Hoban.

Mini Aug 29 2022 Mini celebrates 60 amazing years of this iconic car, from its revolutionary introduction to the popularity of its new-generation models. The first two-door Mini, introduced in 1959 and built until 2000, revolutionized automotive design with its innovative front-wheel-drive layout that made the car appear bigger on the inside than the outside. In 1999, the Mini was voted the second most influential car of the 20th century, behind the Ford Model T. Designed for British Motor Corporation (BMC) by Sir Alec Issigonis and manufactured in England, Australia, Spain, Belgium, Chile, Italy, Portugal, South Africa, Uruguay, Venezuela, and Yugoslavia, the Mini was as successful in competition as it was on the street, winning the Monte Carlo Rally four times from 1964 through 1967. Originally built by BMC, the Mini's later parent company, Rover, was acquired by BMW in 1994. In 2000, BMW sold most of the Rover Group but retained the Mini brand. The last and 5,387,862nd original Mini rolled off the production line in October, 2000. In July 2001, BMW launched production of the new-generation of Mini which was soon joined by Countryman, Clubman, convertible, Cooper Works, and numerous special editions. Nearly 20 years later, the new Minis remain as popular as the original from 1959.

The Book of Tokyo Sep 05 2020 A shape-shifter arrives at Tokyo harbour in human form, set to embark on an unstoppable rampage through the city's train network... A young woman is accompanied home one night by a reclusive student, and finds herself lured into a flat full of eerie Egyptian artefacts... A man suspects his young wife's obsession with picnicking every weekend in the city's parks hides a darker motive... At first, Tokyo appears in these stories as it does to many outsiders: a city of bewildering scale, awe-inspiring modernity, peculiar rules, unknowable secrets and, to some extent, danger. Characters observe their fellow citizens from afar, hesitant to stray from their daily routines to engage with them. But Tokyo being the city it is, random encounters inevitably take place - a naïve book collector, mistaken for a French speaker, is drawn into a world he never knew existed; a woman seeking psychiatric help finds herself in a taxi with an older man wanting to share his own peculiar revelations; a depressed divorcee accepts an unexpected lunch invitation to try Thai food for the very first time... The result in each story is a small but crucial change in perspective, a sampling of the unexpected yet simple pleasure of other people's company. As one character puts it, 'The world is full of delicious things, you know.'

The Short Story and the First World War Jun 14 2021 The poetry of the First World War has come to dominate our understanding of its literature, while genres such as the short story, which are just as vital to the literary heritage of the era, have largely been neglected. In this study, Ann-Marie

Einhaus challenges deeply embedded cultural conceptions about the literature of the First World War using a corpus of several hundred short stories that, until now, have not undergone any systematic critical analysis. From early wartime stories to late twentieth-century narratives - and spanning a wide spectrum of literary styles and movements - Einhaus's work reveals a range of responses to the war through fiction, from pacifism to militarism. Going beyond the household names of Owen, Sassoon and Graves, Einhaus offers scholars and students unprecedented access to new frontiers in twentieth-century literary studies.

The Last Girlfriend on Earth Aug 17 2021 It doesn't matter if you're a caveman, a time traveller or a regular person. Sooner or later, someone's going to break your heart. The sketches in Simon Rich's new book are bizarre, funny, and - if you've ever been in love - all too familiar. From the invisible man stalking his ex, to Sherlock Holmes' only blind spot, *The Last Girlfriend on Earth* is always enchanting, often sweet, though occasionally awkward. Just like love itself. 'The Last Girlfriend On Earth' is silly, surreal, sometimes sad and always laugh-out-loud funny. This collection will have you giggling/crying/squirming in recognition, and wondering what exactly Simon Rich has eaten to dream all this stuff up ... pulls off the tough trick of being both heart-warming and hilarious - it's a must-read if you've ever so much as had a crush on someone' Heat 'Pithy, occasionally bonkers' Time Out 'Truly hilarious' Eva Wiseman, Observer
