The reader is invited to join Rainbow Fish and his friends in finding clues to help locate a treasure hidden in the Coral Reef. A story in verse about how all friends are special and valuable regardless of differences or difficulties. Description In The Day the Colors Became Friends, artist and author Debra Madison offers her interpretation of a traditional Native American tale. The tale begins as each color declares its importance and superiority. They are led to join together in true community as represented by the rainbow, the place where all are connected as one while each maintains its unique identity. We is more fun than me... Let's be willing to reach out to one another in friendship! The story of the rainbow encourages us to appreciate and even celebrate our differences, knowing we are here to be in relationships and grow. We look to the natural variety of this world as an example of what is possible. This heart-opening story conveys a hopeful message for a brighter tomorrow, leading us through the doorway of nature to access the universe. Illustrated by Debra Madison's dramatic images, The Day the Colors Became Friends is a book that both children and adults will enjoy, over and over again. Author Bio Debra Madison is a writer, photographer and artist. She is also a Book and Document Restoration Specialist. For twenty-five years she had a small business called Honestly Bound Books, which she started by restoring family bibles and books dating back 400 years. In addition to her private clients, she contracted with many city, county, and state agencies to preserve various items, including a project for the Dept. of Mines and Geology, to restore 19 gold mining maps from the 1800's. She evaluated and restored the rare and valuable books housed in the vault of the Central Library of Sacramento, which involved over 2,000 items that took nearly three years to complete. It was her appreciation and understanding of the mechanics of books, combined with her writing and art background, that spurred her to enter the world of book arts. She was inspired by the creations of Joe D'Ambrosio, a world famous book artist, and took many classes and workshops with him. Her efforts earned her a grant from the Sacramento Metropolitan Arts Commission, as well as a second place cash award in Campbell Soup's national "The Art of Campbell's Soup" contest. Her submission was a book was titled, "My 42 Years of mmm ... mmm ... Good," and was exhibited in the Andy Warhol Museum in Pittsburgh, Pennsylvania for several weeks. Debra describes the non-traditional books she has written, designed, illustrated, and produced as unique creations for housing words, images and ideas. These limited edition books have titles such as: "Alice Looking Through The Wonderland of Glass;" "Goop Tales;" and "Anagrammatically Red." Her work has been exhibited in California and Oregon. The Sacramento Central Library has many examples of her work, which is kept in the Sacramento Room's vault, with other rare and valuable books. "The Day The Colors Became Friends," is her first traditionally bound, produced, and published book. Debra lives in northern California with her husband Bill, who is also a photographer and writer. "Is it safe to play with colors different than you?" This is the question a little red girl asks herself when she moves from the safe comforts of her little red town to Rainbow Row City. On her journey, she discovers that friendship comes in many colors, shapes and sizes. Suggested age range for readers: 2-8 Five-year-old Lola embarks on a journey to the park with her mommies. Upon arrival, she joins her friends who look different than her but who are actually very similar to Lola and her family. Something all families have in common is that they have fun spending time together. They build sand castles and swing on monkey bars like everyone, but as families, they are all different and special. Lola's Rainbow of Friends explores the importance of accepting people of all races, ethnicities, lifestyles, cultural and religious backgrounds.... Iggy the multicolored chameleon turns different colors depending on his emotions. While visiting the animals in the jungle, he turns different colors as he feels angry, ashamed, shy, sad, and more. He sets out to find someone who looks like him, and when he meets a yellow chick, he feels

happy! But then he discovers that Little Chick likes to eat worms, and that makes Iggy feel angry--and he turns red. So Iggy sets off to find a friend who is red. At the conclusion of his adventures, Iggy learns that it's important to be himself, and that it's okay to feel the strong emotions that he feels. This board book, which features full-color artwork, helps children develop their emotional intelligence by introducing them to different scenarios that generate a variety of responses and emotions. It also provides an opportunity for parents or caregivers to explain how to cope with a variety of feelings. Children will relate to the adorable animal characters and pick up on the valuable lessons the chameleon learns. And perhaps most importantly, young readers will learn just how important it is to be themselves! Rain before rainbows. Clouds before sun. Night before daybreak. A new day's begun. A girl and her companion fox travel together from a place of loss and despair, through uncertain times, towards the hope of colour, light and life. Along the way, they find friends to guide and support them. Together, they build a glorious future and discover there is a way out of the darkness, into the light of the rainbow. A book with immense hope at its heart, this is a positive message for anyone who's ever gone through a tough time. Perfect for 9+ readers and fans of Elle McNicoll, Lisa Thompson and Onjali Rauf's bestselling THE BOY AT THE BACK OF THE CLASS. My name's Archie Albright, and I know two things for certain: 1. My mum and dad kind of hate each other, and they're not doing a great job of pretending that they don't anymore. 2. They're both keeping a secret from me, but I can't figure out what. Things aren't going great for Archie Albright. His dad's acting weird, his mum too, and all he wants is for everything to go back to normal, to three months before when his parents were happy and still lived together. When Archie sees a colourful, crumpled flyer fall out of Dad's pocket, he thinks he may have found the answer. Only problem? The answer might just lie at the end of the rainbow, an adventure away. Together with his best friends, Bell and Seb, Archie sets off on a heartwarming and unforgettable journey to try and fix his family, even if he has to break a few rules to do it... BookTuber - How to Train Your Gavin Despite the differences between people around the world, there are similarities that join humanity together, such as pain, joy, and love. On board pages. The Sun and the Clouds are best friends. Together they keep the world warm, the gardens growing, and the sky full of beautiful rainbows. But one day they get into a fight and refuse to be in the sky together. And that means there are no longer any rainbows. Without rainbows, the colors start disappearing until Earth was left with no color ... except for one little forgotten box of crayons in one little school desk. Determined to save the rainbows and fix the Sun and Clouds' friendship, the crayons draw rainbows all over town. Their attempts go unnoticed. Soon they realize that they're going to have to do something big to get the attention of the former friends. So, the crayons create the biggest rainbow they can and hope it's enough to bring color back to the world. How the Crayons Saved the Rainbow teaches the importance of teamwork and perseverance through seven crayons with unique personalities and their desire to see the world in color. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults.
