1913 Yorkshire, England Beth Beaumont enjoys her life as a rhubarb farmer's daughter in West Yorkshire. Working on the family's stall selling the fruit and vegetables grown in their own fields gives her a sense of purpose and is healthier than working in a dangerous

cotton mill. Although not thinking of marriage, when Beth meets Noah Jackson, a village miner, she is suddenly very aware of Noah as a man who could change her mind. The summer brings the two closer and their feelings deepen while Noah studies hard to fulfill his dreams of becoming a teacher and securing a better life than his parents endure. But, a disaster at the coal mine changes lives forever. Noah's plans are shattered. His love for Beth is put at risk, and he fears they can never find happiness together. However, another man wants Beth. Louis Melville, the wealthy son of a local gentry family, is acutely aware of Beth's beauty and he wants her for himself. At first, he is willing to offer marriage, but when Beth turns him down in favour of Noah, Melville, furious to be denied, reeks revenge with devastating consequences. Will Beth and Noah find the happiness they wish for or will overwhelming events break them apart? “In the elite company of Sue Grafton and Patricia Cornwell.” —Flint Journal Injustice For All—riveting crime fiction from J.A. Liam and Josie's story continues in this last installment of *The Beaumont Series*. 'Wonderful, astonishing drawings... A masterclass in the sorrow and joy of being human, and a powerful reminder that nothing is more earth-shattering than love.'—Meg Rosoff

The mother of a daughter with Down's Syndrome shares her family's journey—in beautiful black and white drawings—from hospital to home, and from early years to school, in this moving, wise and unsparing graphic

memoir. On Mother's Day 2001 Henny Beaumont gave birth to her third child. For the first four hours, her baby seemed no different from her two other little girls. When the registrar told Henny and her husband that their daughter might have Down's Syndrome, she thought that her life was over. How would she be able to look after this baby, who might die, and manage her other two children at the same time? How could this weak little baby, who needed so much more from Henny than her other two children, provoke such feelings of hatred and resentment? And how would she learn to love her? If she can't trust her own reactions to Beth, how could she expect other people to overcome their prejudices and ignorance about her condition? *Hole in the Heart* is a moving, funny, ironic and refreshingly honest look at living with a child who has special needs. Henny's remarkable journey speaks not only to parents who have had a similar experience and the medical and care professionals who try to help them, but to every one of us who feels anxiety about our children – wondering whether they are achieving enough, whether we do enough for them, and whether we love them enough. As the PE teacher asks: 'Who's really got the special needs here?' In Mibs Beaumont's family, the day of their thirteenth birthday is amazing - This is the day when they each receive their special talent or savvy - Her brother Rocket can send static shocks across the room

while brother Fish can make huge changes to the weather - On her thirteenth birthday, Mib's father lies in hospital in a coma - She has to reach him, and the only way there is on the Pink Bible bus. **FOREVER MY GIRL**, a novel about Rock star Liam Page who, through tragic circumstances, is given a second chance at righting the wrongs he made when he left the one who owned his heart. A story of redemption, forgiveness, and never forgetting your one true love. **ONE NIGHT WITH HARRISON**, a novella that introduces us to a young Harrison James and what happens when a meet and greet with some fans turns into something far bigger than he ever anticipated **MY UNEXPECTED FOREVER**, a novel that finds two families torn apart for different reasons, one is dealing with heartache and loss, the other is trying to find acceptance. Join them in this story as they come together against all the odds to find the happiness they deserve. **FINDING MY FOREVER**, a novel, which tells the true meaning of love. Sacrifice, trust, devotion and taking chances all play key roles in this story of how two people come together while dealing with a threat that could ruin their lives forever. Based on the experiences of a real French spy, Jack Beaumont's first-hand knowledge and experiences make this thriller plausible and frightening as you're plunged into the very real world of terror, espionage, and danger. Alec de Payns is an undercover operative in the ultra-elusive

French Y Division of the DGSE, a foreign intelligence service equivalent to the CIA or MI6. Code named Aguilar, de Payns is one of the division's most accomplished agents working to neutralize international threats on a daily basis while simultaneously trying to balance his home life as a husband and father. When a routine mission to infiltrate a dangerous terrorist group unexpectedly goes belly up, Alec is faced with the unthinkable: that he may have been betrayed by someone in his close-knit team—and they may be trying to pin the blame on Alec himself. Back in Paris, Alec is assigned to investigate a secretive biological weapons facility in Pakistan which the DGSE believes to be producing a newly weaponized strain of bacteria, intended for release in France. As Alec works to uncover the facility's secrets, he must also fight to clear his name and discover who the mole is before it's too late. It's not just his reputation that's at stake—it's the lives of his wife, two young children, and the entire population of Paris. Liam Page thought fame and fortune would be enough. When tragedy hits, he returns home to face the consequences his past. From New York Times bestselling author Heidi McLaughlin comes an uplifting story about two old friends finding new love. Rennie Wallace has it all: a boyfriend, a good job, a best friend who lives a stone's throw away...but something's missing. She isn't sure what until she returns to Cape

Harbor, her favorite home away from home. There, she crosses paths with an old love, Graham. Rennie's drawn to him but senses their paths in life have wandered too far apart. Graham Chamberlain has returned to Cape Harbor to care for his brother, the town alcoholic. Managing and serving drinks at his family's bar, Graham can't believe how mundane his life has become. He's resigned himself to living for others, his own desires for adventure and romance taking a back seat to running the family business--until Rennie walks through his door. Graham feels the weight of his small-town life; Rennie has a boyfriend and a busy life in the city. But neither can deny the rekindled spark between them. Will they find their way back to one another? A captivating literary portrait of the writers who explore the city at night, and the people they met. "Cities, like cats, will reveal themselves at night," wrote the poet Rupert Brooke. Before the age of electricity, the nighttime city was a very different place to the one we know today – home to the lost, the vagrant and the noctambulant. Matthew Beaumont recounts an alternative history of London by focusing on those of its denizens who surface on the streets when the sun's down. If nightwalking is a matter of "going astray" in the streets of the metropolis after dark, then nightwalkers represent some of the most suggestive and revealing guides to the neglected and forgotten aspects of the city. In this brilliant work of

literary investigation, Beaumont shines a light on the shadowy perambulations of poets, novelists and thinkers: Chaucer and Shakespeare; William Blake and his ecstatic peregrinations and the feverish ramblings of opium addict Thomas De Quincey; and, among the lamp-lit literary throng, the supreme nightwalker Charles Dickens. We discover how the nocturnal city has inspired some and served as a balm or narcotic to others. In each case, the city is revealed as a place divided between work and pleasure, the affluent and the indigent, where the entitled and the desperate jostle in the streets. With a foreword and afterword by Will Self, *Nightwalking* is a captivating literary portrait of the writers who explore the city at night and the people they meet. On the day of his birthday, Ledger Kale thinks his normal life will never be the same again. Now he's thirteen, his savvy has arrived; an extra-special talent that means everything has just fallen apart. If not everything, then certainly the television, the lawnmower, the plumbing in the kitchen, and the family minivan. He's just become a one-kid demolitions expert - whether he likes it or not. Ledger now faces an extraordinary summer of adventure, as he learns if he can scumble his savvy, and put his world back together at the same time. From New York Times bestselling author J. A. Jance, a suspenseful mystery from the creator of Arizona sheriff Joanna Brady and Seattle homicide detective J. P.

Beaumont. Promises To Keep by Nina Beaumont released on Oct 23, 1992 is available now for purchase. Even though she's living her life-long dream and dancing on Broadway, the city is a lonely place for Yvie James. The holidays are both her favorite time of the year and the worst. A last minute decision puts Yvie in Beaumont to spend time with her family. Alexander Knight is new to Beaumont, but he's making the best of it. His dream of running a successful business is within his grasp, and Xander has a dedicated client base most trainers vie for. On the surface, Xander is happy, but he works long hours for nothing more than to avoid going home to an empty house. Thrown together for Christmas shopping, holiday gatherings with friends and family, and a special anniversary party, Yvie and Xander find themselves seeking solace in each other for an unforgettable, romantic winter. 'Small World' is the story of a group of men and women, living and working in a city, who are connected through love, work, friendship, or simply by virtue of proximity. THE FIRST 2 BOOKS OF THE SABRINA VAUGHN SERIES From award-winning author Maegan Beaumont "Prepare to be overwhelmed by the tension and moodiness that permeates this edgy thriller. Beaumont's ability to keep the twists coming even when the answer seems obvious is quite potent."

Praise for  
Meagan Beaumont and THE SABRINA VAUGHN  
SERIES: Named a Best Debut of 2013 by Suspense  
Magazine "Pulse-pounding terror, graphic violence and a  
loathsome killer." Kirkus Reviews "Beaumont knows  
how to keep you on the edge of your seat...Buckle up for  
the ride of a lifetime." Suspense Magazine "Maegan  
Beaumont might be new to thriller scene, but her debut  
thriller, Carved in Darkness, promises to be the first in a  
long line of novels. Be warned, however, this novel isn't  
for those who jump a mile every time they hear  
something go bump in the night. But for anyone who's  
ever dreamed about enacting a just revenge, this book is  
for you. Beaumont knows how to cook up and serve a  
dish called revenge, but she doesn't serve it cold. She  
serves it sizzling hot." Vincent Zandri, bestselling author  
of The Remains and Murder by Moonlight

"Just when you thought Maegan Beaumont couldn't out-write *Carved In Darkness*, she did."

"...kep A unique and evocative portrait of World War II—and a charming coming-of-age story—from the private diaries of Winston Churchill's youngest daughter, Mary. “I am not a great or important personage, but this will be the diary of an ordinary person's life in war time. Though I may never live to read it again, perhaps it may not prove altogether uninteresting as a record of my life.” In 1939, seventeen-year-old Mary found herself in an extraordinary position at an extraordinary time: it was the outbreak of World War II and her father, Winston Churchill, had been appointed First Lord of the Admiralty; within months he would become prime minister. The young Mary Churchill was uniquely placed to observe this remarkable historical moment, and her diaries—most of which have never been published until now—provide an immediate view of the great events of the war, as well as exchanges and intimate moments with her father. But these diaries also capture what it was like to be a young woman during wartime. An impulsive and spirited writer, full of coming-of-age self-consciousness and joie de vivre, Mary's diaries are untrammelled by self-censorship or nostalgia. From aid raid sirens at 10 Downing Street

to seeing action with the women's branch of the British Army, from cocktail parties with presidents and royals to accompanying her father on key diplomatic trips, Mary's wartime diaries are full of color, rich in historical insight, and a charming and intimate portrait of life alongside Winston Churchill during a key moment of the twentieth century. An e-original novella from New York Times bestselling author J. A. Jance. Life has shifted for J. P. Beaumont. After a tragic accident that devastated—and ultimately disbanded—his Special Homicide Investigation Team, he accepts that he has left homicide detection behind at this point, but he has a lot of unanticipated free time on his hands. He's keeping busy with renovations on the new house that he and his wife, Mel Soames, the newly appointed chief of police in Bellingham, Washington, have bought. But new fixtures and paint palettes can occupy only so much of Beau's daily life, and Mel is encouraging him to return to where he is needed: investigating crimes. In the meantime, she is struggling to gain control of her new situation, cast into a department where some are welcoming—and some are not. It's been a few months, and the tension in the police department is rising, but Beau realizes Mel has to tackle things in her own way, so he refrains from advising. But when Beau shows up one afternoon to survey the construction at their new house and finds Mel's car there but no sign of her, his investigative

instincts kick in. Suddenly he's back in the game—except this time, his heart is on the line as well as his professional dignity. "Smart, entertaining, and laugh-out-loud funny!" --Liliana Hart, New York Times Bestselling Author

Valentine Beaumont is a beautician with a problem. Not only has she got a meddling mother, a wacky staff, and a dying business, but now she's got a dead client who was strangled while awaiting her facial. With business the way it is, combing through this mystery may be the only way to save her salon. Until a second murder, an explosion, a kidnapping, death threats, and the hard-nosed Detective Romero complicate things. But Valentine will do anything to untangle the crime. That's if she can keep her tools of the trade in her bag, keep herself alive, and avoid falling for the tough detective. In the end, how hard can that be? Rock musician Jimmy "JD" Davis considers pursuing a relationship with Jenna, while she works through the emotional effects of her abuse at the hands of her ex-husband. From Dickensian London to today's megacities—what urban walking tells us about modern life

There is no such thing as a false step. Every time we walk we are going somewhere. Especially if we are going nowhere. Moving around the modern city is not a way of getting from A to B, but of understanding who and where we are. In a series of riveting intellectual rambles, Matthew Beaumont retraces episodes in the history of

the walker since the mid-nineteenth century. From Dickens's insomniac night rambles to restless excursions through the faceless monuments of today's neoliberal city, the act of walking is one of self-discovery and self-escape, of disappearances and secret subversions. Pacing stride for stride alongside literary amblers and thinkers such as Edgar Allan Poe, André Breton, H. G. Wells, Virginia Woolf, Jean Rhys and Ray Bradbury, Beaumont explores the relationship between the metropolis and its pedestrian life. Through these writings, Beaumont asks: Can you get lost in a crowd? What are the consequences of using your smartphone in the street? What differentiates the nocturnal metropolis from the city of daylight? What connects walking, philosophy and the big toe? And can we save the city—or ourselves—by taking to the pavement? After an extremely successful debut in hardback, *Housewives and citizens* is now available in paperback for the first time. This book explores the contribution that five conservative, voluntary and popular women's organisations made to women's lives and to the campaign for women's rights throughout the period 1928–64. The book challenges existing histories of the women's movement that suggest the movement went into decline during the inter-war period, only to be revived by the emergence of the Women's Liberation Movement in the late 1960s. It is argued that the term

'women's movement' must be revised to allow a broader understanding of female agency encompassing feminist, political, religious and conservative women's groups who campaigned to improve the status of women throughout the twentieth century. The book provides a radical re-assessment of this period of women's history and in doing so makes a significant contribution to ongoing debates about the shape and impact of the women's movement in twentieth-century Britain. Unlike most of Hammett's works, the protagonist of *The Glass Key* isn't a private detective; Ned Beaumont is a gambler, and the friend of a criminal boss. The action starts when he discovers the body of a senator's son, and his friend wants him to help cover it up as a means of gaining the senator's favour. This draws Beaumont into a brewing gang war, and he has to solve the mystery if he wants to get out alive. It has been adapted for film twice. Lost in You is a story about following your dreams, taking risks and getting lost in love. This book investigates the UK's nuclear weapon policy, focusing in particular on how consecutive governments have managed to maintain the Trident weapon system. The question of why states maintain nuclear weapons typically receives short shrift: its security, of course. The international is a perilous place, and nuclear weapons represent the ultimate self-help device. This book seeks to unsettle this complacency by re-conceptualizing

nuclear weapon-armed states as nuclear regimes of truth and refocusing on the processes through which governments produce and maintain country-specific discourses that enable their continued possession of nuclear weapons. Illustrating the value of studying nuclear regimes of truth, the book conducts a discourse analysis of the UK's nuclear weapons policy between 1980 and 2010. In so doing, it documents the sheer imagination and discursive labour required to sustain the positive value of nuclear weapons within British politics, as well as providing grounds for optimism regarding the value of the recent treaty banning nuclear weapons. Thad, a college professor who moonlights as a writer of pop thrillers under the pseudonym George Stark, finally writes a serious novel, and decides to stop writing shockers. But George Stark has come to life and doesn't want to die. Thad is forced to battle his own creation for the control of the mind which both must share.
